# WORKING BETTER TOGETHER

HumanPoint delivers highly engaging seminars for diverse teams using the DiSC as a way to help us work better together.

---

## OBJECTIVES:

- Understand the different DiSC styles
- Gain insight in how to determine others' style preferences
- Discover how to work better together by considering DiSC styles when working with others

HumanPoint helps teams work better together by using the DiSC as a tool to better understand our own workplace style, and to understand others' workplace preferences. Through engaging seminars, teams learn to identify their preferred behaviors and the preferences of others and leave with an arsenal of tips and tools on how to better interact with people of varying styles.

## HumanPoint offers five DiSC workshops that can be delivered virtually or in person:

- An Introduction to DiSC: Working Better Together
- Conflict Management: Reframing and Responding to Conflict
- Developing Team Norms
- Leading and Managing Effectively by Acknowledging Workstyle Differences
- Communicating Our Differences

## PRICING:

\$99 per person taking the DiSC assessment

\$3,000 per 2-3 hour workshop, for teams of up to 30 people

## About HumanPoint

Everything we do is driven by our core belief: **there is no maximum to human potential.** HumanPoint empowers executives and managers to run highly engaged teams where people feel valued and goals get accomplished.

We work with intelligent leaders to **drive meaningful transformation** on the human side of the business.

Our relationships are built on trust and making good on our promises. We strive to guide our clients to reach their maximum potential by individually tailoring our solutions to **provide fast and lasting change.**

Founded in 2007, HumanPoint is headquartered in Bellevue, Washington with clients located throughout the United States.
